If a certified public accountant licensed under Chapter 473, or attorney in good standing with the Florida Bar prepared this form for you, he or she must complete the following statement:

I, \_\_\_\_\_, prepared the CE Form 1 in accordance with Section 112.3145, Florida Statutes, and the instructions to the form. Upon my reasonable knowledge and belief, the disclosure herein is true and correct.

CPA/Attorney Signature: \_\_\_\_\_

**FILING INSTRUCTIONS:**

**WHAT TO FILE:**

After completing all parts of this form, **including signing and dating it**, send back only the first sheet (pages 1 and 2) for filing.

If you have nothing to report in a particular section, you must write "none" or "n/a" in that section(s).

**NOTE:**

**MULTIPLE FILING UNNECESSARY:**

A candidate who previously filed Form 1 because of another public position must at least file a copy of his or her original Form 1 when qualifying. A candidate who files a Form 1 with a qualifying officer is not required to file with the Commission or Supervisor of Elections.

**WHERE TO FILE:**

If you were mailed the form by the Commission on Ethics or a County Supervisor of Elections for your annual disclosure filing, return the form to that location.

**Local officers/employees** file with the Supervisor of Elections of the county in which they permanently reside. (If you do not permanently reside in Florida, file with the Supervisor of the county where your agency has its headquarters.)

**State officers or specified state employees** file with the Commission on Ethics, P.O. Drawer 15709, Tallahassee, FL 32317-5709; physical address: 325 John Knox Road, Building E, Suite 200, Tallahassee, FL 32303.

**Candidates** file this form together with their qualifying papers.

To determine what category your position falls under, see the "Who Must File" Instructions on page 3.

**Facsimiles will not be accepted.**

**WHEN TO FILE:**

**Initially**, each local officer/employee, state officer, and specified state employee must file **within 30 days** of the date of his or her appointment or of the beginning of employment. Appointees who must be confirmed by the Senate must file prior to confirmation, even if that is less than 30 days from the date of their appointment.

**Candidates** for publicly-elected local office must file at the same time they file their qualifying papers.

**Thereafter**, local officers/employees, state officers, and specified state employees are required to file by July 1st following each calendar year in which they hold their positions.

**Finally**, at the end of office or employment, each local officer/employee, state officer, and specified state employee is required to file a final disclosure form (Form 1F) within 60 days of leaving office or employment. However, filing a CE Form 1F (Final Statement of Financial Interests) does **not** relieve the filer of filing a CE Form 1 if he or she was in their position on December 31, 2014.

**Total Client Investment:** Cost of shares directly purchased and still held. Does not include shares purchased through reinvestment.

**Cumulative Investment Return:** Estimated Market Value minus Total Client Investment.

**Cumulative Investment Return** is the dollar value of the capital appreciation (depreciation) of all shares purchased and still held, including shares acquired through reinvestment of dividends and distributions, which may be greater or less than the actual income distributed.

**Unrealized Gain or (Loss):** Estimated Market Value minus Total Cost of shares directly purchased and still held, as well as cost of shares acquired through reinvestment. Provided for Tax Planning purposes only and is not for tax accounts.

**Initial Purchase:** Date of your initial investment in this fund.

**Market Timing:** Merrill Lynch's policies prohibit mutual fund market timing, which involves the purchase and sale of mutual fund shares within short periods of time capturing short-term profits resulting from market volatility. Market timing may result in lower returns for long-term fund shareholders because market timers capture profits that would otherwise pass to all shareholders and due to increased transaction costs and fewer assets for investment due to the need to retain cash to satisfy redemptions.
